IMP

INTERNATIONAL
MESOTHELIOMA
PROGRAM

“Mesothelioma has no cure, but International Mesothelioma Program (IMP) scientists and researchers are working on several fronts to better understand the disease and work toward finding a cure.” Their motto is “Quality Life Extension Leading to a Cure”. The team is led by Dr. Raphael Bueno, Chief of the Division of Thoracic Surgery, Brigham and Women's Hospital and Director of the International Mesothelioma Program.

“PUTTING FOR PAPA JEFF”

Jeff's golf bag with six of his clubs, representing the members of our family. The golf balls represent our four grandchildren.

ABOUT THE JEFF CRIST MEMORIAL GOLF OUTING

The Jeff Crist Memorial Golf Outing honors a devoted and loving husband, father, and friend who died of a rare and aggressive form of cancer known as Malignant Pleural Mesothelioma.

Pleural Mesothelioma is a type of cancer that develops in the lining of the lungs due to asbestos exposure.

After 10 amazing years we have made the difficult decision to bring the golf outing to an end. Thanks to you, our many sponsors and golfers for believing with us in this cause. To date we have raised over \$287,000 for research and we couldn't have done it without your support. Even though this will be our last golf event, our passion for a cure for this horrific disease will never end for Jeff's sake.

All proceeds for this year's event will again benefit the research program at the International Mesothelioma Program at Brigham and Women's Hospital in Boston, MA where Jeff went for treatment.

We hope to see you September 26, 2019.
